Yes I did mean "Alfreda." I guess my left pinky was a little weak on typing that last "a." It was probably because my cat was sitting on my arm while I was trying to type. I will make a point to avoid feline induced impairment during the rest of my telecommuting!

...regarding Dewey Burdock, that is! So I emailed them to her & gave her my home phone in case she has any questions. Just wanted you to know in case she has any questions for you or Sadie.
